Applicant and the undersigned individual(s) certify that all of the information provided in this application is true and acknowledge that Rathburn Tool & MFG (RTM) is relying upon the information as an inducement to establish or continue Applicant's account with RTM. RTM is authorized to obtain any information it deems necessary concerning Applicant, including written and oral reports from credit reporting agencies and other sources. Applicant promises to pay RTM's invoices when due according to the payment terms that RTM issues to the Applicant. Applicant agrees to pay RTM's costs, including reasonable attorneys' fees, incurred in collecting any past due amounts.

For good and valuable consideration and to further induce RTM to establish or continue Applicant's account with RTM, the undersigned Guarantor unconditionally and personally guarantees the prompt payment, when due, of all amounts owed by Applicant to RTM, now or in the future. Guarantor further agrees to pay RTM's costs incurred in enforcing this guaranty agreement, including reasonable attorneys' fees. This is a continuing guarantee of payment and Guarantor waives notice of acceptance, presentment, demand, protest and all other notices of any kind. RTM may proceed directly against Guarantor without first proceeding against Applicant or any other guarantors or any collateral. All individuals signing this agreement as Guarantor shall be jointly and severally liable hereunder and the term 'Guarantor' shall refer both individually and collectively to all such individuals.

This agreement is governed by the substantive law of the State of Indiana, without regard to principles of conflict of law, and Applicant and Guarantor consent to the personal jurisdiction of the state and federal courts located in Indiana for adjudication of any claim or dispute related to the agreement of Applicant's account with RTM.
